

## ~ VOLUNTEER TODAY! ~

Experts agree: The more time kids spend in positive learning environments *outside* of school, the better they do during school hours. Plus, there are some real dangers in leaving kids on their own after the last school bell rings. After school, between 3p.m. and 6p.m., hundreds of kids are on their own. This is known as the “prime time for crime”.

**You can make a difference in a kid’s life. A kid out there needs your help.  
You can be a solution to a kid’s physiological and psychological need.**

Volunteers are currently being recruited for the following departments:

- Administrative Staff
- Program Facilitator
- Mentoring
- Snack Bar Staff
- Facility Maintenance Staff & Organizers
